Read Phillipians 4:6-7. Do you need more peace? What does your life look like when you have this kind of peace? How does peace make a positive impact?

In the teaching, Chip said that adoration means “getting the focus off of your problems, yourself, and your anxiety in order to look up to God.” Consider the past six to eight weeks. What are some of the problems, challenges, and stresses that can make it difficult for you to focus on God?

Read Psalm 29:2. In your own words, provide a definition of glory. In our culture, who and what are often glorified? Being as specific as you can, how is God glorious? “Ascribe” means to “tell God.” Why is this an important part of what it is to worship God?

Chip said, “If you have a big God, you have small problems. If you have big problems, you have a small God.” Explain what this means and how it applies to your life. What are some problems that you have let become “too big”?

Read Deuteronomy 4:39. What are some simple reminders that you could create in your life so that you remember to acknowledge God and recognize that no one is like Him?
